SHIPPING INFORMATION

We cannot be responsible for any damage due to freezing, delay, or damage in transit. Any damage from any cause should be reported immediately to the carrier and claim made for loss. We consider Express or Air Express the safest means of shipment. Shipments specified via Parcel Post travel at customer's risk, and prepayment charges should be included with cash orders.

Mum rooted cuttings are packaged in specially constructed cartons and with outside protective wrapping during the winter months. All cuttings are taken from lighted stock plants, rooted under ideal conditions and packaged in a manner to assure safe arrival. Shipping cartons should be opened at once upon arrival.

Mum rooted cuttings are available from January 1st to July 1st. The minimum total order that can be accepted is 100 cuttings. 25 of each variety is the minimum that can be supplied. More than 25 of a variety must be in multiples of 25.
